

A FILM BY SCRAMBLER & JENNY MITCHELL

The background of the poster is a scenic view of Nashville, Tennessee, with the city skyline and surrounding green hills visible under a blue sky with wispy clouds. In the center background is a large, dark monument shaped like a guitar, with the Nashville skyline visible through its body. The title 'Capital of Country Music' is written in a large, stylized, yellow cursive font across the middle of the guitar monument.

Capital of Country Music

50 Years of the Core Country Music Club
